

# Umpqua Valley Christian School STUDENT REFERRAL PROGRAM

The purpose of the Umpqua Valley Christian School Referral Program is to thank UVC families for their positive words, influence, and help to grow the student body of Umpqua Valley Christian School. We recognize the value of word-of-mouth marketing and know that the word of a satisfied UVC family is worth more than any billboard or radio advertisement. This is our way of saying “Thank You” for helping prospective students become part of the UVC family.

## What is the benefit?

- UVC gives a \$500 tuition credit for prospective students who complete the admissions process, are accepted by UVC administration, and become enrolled at UVC.

## What qualifies as a referral?

- NEW students of NEW families. This does not include younger siblings of current or past students, or students returning to UVC.
- The tuition credit is given only if the prospective student completes the admissions process, is accepted by UVC administration, and become enrolled at UVC.

## Who can use this program?

- All UVC families, part-time employees, and grandparents can receive the benefit and apply it to their account.

## How to access this credit?

1. In order for the REFERRING family to receive the credit, the Prospective Family must have included the REFERRING family’s name in the “Referring Family” box on the application.
2. The REFERRING family must have turned in the Student Referral Form that directs where the credit should be applied. **THIS IS EXTREMELY IMPORTANT, the referring family can direct the credit several ways.**
  - a. The entire amount can be credited to the referring family’s account.
  - b. The referring family can **split** the credit with the Prospective Family by indicating the percentage to each family’s account.
  - c. The referring family can gift the entire credit to the Prospective Family’s account.

*We have been extremely impressed that most families most always give at least a portion of their credit to the new family. We realize that this generosity is unique and are blessed that our families desire to share the UVC experience, even at their own sacrifice. Thank you.*

3. The credit will be applied, per instruction, to the appropriate account by the UVC Business Office.

## Is there a limit to the number of students a family can refer?

- There is NO LIMIT to how many times a family can use the student referral program.

## What about students referred mid-year?

- Students who are referred mid-year will still qualify for the student referral program, but the credit will be prorated.
