NEW THIS YEAR

Student Success Hub

We have converted one of our classrooms this year into the Student Success Hub, under the direction of Kari Wells, our Academic Support Specialist. Mrs. Wells has created a warm and welcoming environment for students to come in small groups for math and reading activities specific to their skill level. Individual students are able to make up tests, access support services, or take advantage of the peace and quiet to get work done. Mrs. Wells also took over organizing our service plans, paperwork, and meeting schedules, and we are so grateful for her!

Student Services Coordinator

Melissa Knapp is our new Student Services Coordinator. She manages student schedules, works with juniors and seniors on post-graduation plans, serves as Junior Class Advisor, and sets up job shadow opportunities. Additionally, she continues this year in her job organizing UVCS events like the Auction Banquet and Graduation.
